Shaping your brand

Step 1: Identify Your Business

What do you want to sell or promote?

Why do you want to start this business?

Step 2: Know Your Audience

Who are your ideal customers?

Where do they spend time online? (max 2)

Step 3: Define Your Digital Brand

What feeling do you want your brand to give people?

Example: friendly, fun, elegant, premium, comforting

What is one line you could write in your bio?

Step 4: Name your brand

Write 3 possible names for your business

Short, easy to say and easy to remember

Combo of your name + product (eg: Fatima's Threads)

Avoid: Hard spellings or symbols or difficult to pronounce words

Prompt

I want to start a small business in Pakistan. I plan to sell _____ to _____. I want a brand name that is short, easy to remember, and preferably in English or a mix of Urdu and English. Please give me 10 business name ideas that sound local and friendly. Avoid anything too long or difficult to spell. Also suggest 3 Instagram username ideas that match the brand name.

Step 5: Design Your Look

Your profile picture could be a logo, a photo of your product or a picture of yourself

Create a logo

Create a cover photo

Create a logo:

canva.com/ai-logo-generator/

canva.com/s/templates

Aspect ratio: 1:1

Create a cover photo:

canva.com/dream-lab

canva.com/s/templates

Use the suggested aspect ratio

Step 5: Design Your Look

Your profile picture could be a logo, a photo of your product or a picture of yourself

Step 6: Bio

Write a 1-line Instagram/Facebook bio:

Format: What you do/sell + For whom + Location + How to contact/order

“Homemade cakes in Lahore 🍰 DM to order 💌”

“Custom cakes 🍰 | Lahore | Order via DM 📧”

“Handmade khussas 👞 | Nationwide delivery | Tap link to order 👉”

Step 7 (OPTIONAL): Create your business-related Gmail address

You may use your personal Gmail account for now
